

**Supervisor/Advisor Agreement
Academic Year 2017**

I understand that the Final Individual Project is a key component of the Bachelor of Information Technology degree programme of the University of Colombo, and have read the guidelines concerning it given to me by the following student whom I hereby agree to supervise.

Name of Candidate: Vithusha Uthayakumar BIT Registration Number: R161517

Title of the Project: Web based Pharmaceutical distribution System

Client: Sun Waay Lanka Lab

Cognizant of the seriousness of this assignment, I hereby agree to adhere to the following.

- To be available for meeting the student on a regular basis (generally fortnightly)
- To help the student to scope the project to meet the requirements set out in the guidelines
- To assist the student in resolving any problems encountered in conducting the project
- To monitor the progress of the project and intervene in case of slippage in the time line
- To give constructive feedback to enrich the project experience of the student
- To help the student in the writing up of the dissertation and planning the final presentation and defense

I understand that the project grade of the student I supervise will be published by the UCSC, and the student's performance will finally be judged by the IT industry.
